Weak Little Boys

may become fine strong men.
Some of the strong men of to-day
were sickly boys years ago.
Many of them received

Scott's Emulsion

at their mother's knee. This had
a power in it that changed them
from weak, delicate boys into
strong, robust boys.

It has the same power to-day.
Boys and girls who are pale and
weak get food and energy out of
Scott's Emulsion. It makes
children grow.

LOST MUCH WATER.

Pittsfield, Mass., Jan. 8.—The founda-
tion of a new re-enforced concrete
dam on Ashley lake gave way yester-
day and over 30,000,000 gallons of
Pittsfield's municipal water supply
went to waste. There is a hole about
10 feet deep under the floor of the dam.
The rainstorm of two days ending yester-
day made torrents of the Berkshire
mountain streams and Ashley reservoir
was filled.

Three bridges were swept away and
the barns of J. H. Noble and A. T.
Huntington were flooded. The barn in
which James M. Bryant's horses were
rescued was swept from the foundation
together with several other buildings.

Early yesterday a small stream was
seen coming from under the concrete
dam floor. This rapidly grew until
noon, when a vast torrent was sweeping
down the valley from Washington
mountain. In the path was a barn be-
longing to James M. Bryant of Pitts-
field, in which were five horses. Edward
Fennell, caretaker of the Pittsfield
water supply system, rushed down
ahead of the flood, cut loose the horses
and rescued them. The water spread
out over Bryant's meadows and the lowland.

The total receipts of the Brattleboro
post office the past year were \$42,440-

ABOUT THE STATE

The Rev. P. A. Smith, who has been
pastor of the Methodist church at Mor-
risville for the past five years, has an-
nounced his intention not to accept a
reappointment at the session of the
Vermont conference to be held next
April.

Smith Warren, the thirteen-year-old
son of William Warren, of Morrisville,
is in a critical condition as the result
of injuries suffered by being struck by
a falling tree. He was watching his
father fell the tree and in trying to get
away from it ran directly under it.

Ephraim Smith of Newport has been
appointed private secretary to Con-
gressman-elect Frank Plumley of Northfield
and will assume his duties February 1.
Mr. Smith is a graduate of Dartmouth
college in the class of 1906, and has
since graduation engaged in teaching.

State Commissioner H. G. Thomas
has appointed additional wardens as
follows: J. R. Applebee of Island Pond
for Essex county; W. H. Nichols of Es-
sex Junction, Chittenden county; O. B.
Packard and Fred W. Hayward of Rut-
land, Rutland county; H. J. Parcher of
Waterbury, Washington county.

About one hundred relatives and
friends met at the home of J. E. Cro-
sett, of Duxbury, New Year's evening,
the gathering being in honor of the
fifty-second anniversary of the marriage
of Mr. and Mrs. Lucas Morse. The
worthy couple were presented a purse
of \$45. Mr. Morse is 75, and Mrs.
Morse 73 years old.

Mrs. Julia C. R. Dorr of Rutland,
Judge Wendall P. Stafford of Washing-
ton, D. C., and Chaplain A. J. Hough
of the Vermont House of Representa-
tives have acceded to the request of
Horace W. Bailey, who is preparing a
book to be used in the public schools in
connection with the Champlain tercen-
tenary celebration, to write poems for
that publication, which will be issued
in March.
